PRIVACY ACT OF 1974, Title 10 of the US Code, Section 3012(b)

PURPOSE: Users are required to furnish name and personal identifying information on this application to determine eligibility for, and priority of usage of, this US Army MWR facility and equipment.

ROUTINE USE: Personal identifying and demographic information will be used for verifying patron's identification, determining applicable fees to be paid, ISR funding levels and for improving this MWR program.

DISCLOSURE: Disclosure is voluntary. However, if personal identifying information is not provided, user's eligibility for usage will be denied.
